

COMMUNITY EDUCATION & TRAINING

SASS offers training for groups throughout the community. Lessons can be tailored to the specific needs of each group and typically run 90 minutes. Examples of standard trainings include:

SA 101: Dynamics of Sexual Violence

There are many myths and misconceptions about sexual violence; what are the facts and how can greater awareness create safer communities?

Sexual Violence Prevention: From Rape Culture to Consent Culture

Preventing sexual violence is complex. What is "rape culture" and how can we create consent culture?

How to Support Survivors: Trauma-informed, Survivor-centered Care

Taking disclosures, navigating mandated reporting, and creating practices that respect bodily autonomy.

Sexual Violence and Systemic Oppression

How does oppression & privilege influence the experience of a survivor of sexual violence? How is sexual violence a tool of systemic oppression?
